

FLEET OVERVIEW

mFleetManagement

The 'Fleet Overview' presents an overview of all the MOVAX piling equipment including all the excavators the MOVAX piling equipment is connected to. The 'Fleet overview' also provides a quick overview of the operating and service status of the entire fleet. The MOVAX piling equipment to be monitored or analysed in more detail is selected from the 'Fleet Overview'.

FLEET OVERVIEW
25. MAY 2022 - 01. JUN 2022
